

Agenda

Day One

<i>Continental Breakfast</i>
Welcome Introductions, Expectations
What is a Scenario?
Successful Components to Scenario Design
Designing Simulation Learning Objectives
Scenario Design Work - Objectives
Equipment and Environmental Selections
<i>Lunch</i>
Scenario Design - Equipment Selection and Flow
Introduction to Debriefing
Scenario - Implementation
Meta Debriefing, Evaluation
<i>End of Day 1</i>

Day Two

<i>Continental Breakfast</i>
Reflections on Day 1
Case Demonstration
Introduction to Assessment Techniques
Designing Simulations with Humans
Scenario Design Work - Objectives and Equipment Selection
<i>Lunch</i>
Teaching in Simulation
Scenario - Implementation
Meta Debriefing, Evaluation
<i>Conclusion of iSIM</i>
